CENTENARY GENTS

1993 MEDIA GUIDE

1993 OUTLOOK

1993 CENTENARY SENIORS:

(L-R): #28, Jason Parker, #27 Jason Beauchamp, #4 Jeremy Hadley, #29 Tom Tallach, and #5 Tim Kroeker.

Watson believes that his group of newcomers has the potential to lead Centenary to its first ever TAAC baseball title and a trip to the NCAA tournament.

"We've got a talented group of newcomers coming in to go with our returnees", said Watson. "We're not going to be a power team, but I think that we have a group of great hitters who can get down the basepaths. Plus, I think we are much better defensively and on the mound this season, two areas that hurt us over the long haul last year."

PITCHING — Once a weakness for Centenary, the 1993 pitching staff should be the best the Gents have had in a long time. Juniors **Tom Schneider** (5-5, 6.42 ERA) and **Tyler Ginn** (5-1, 4.65 ERA) are the top two returnees on the hill. Schneider turned it on down the stretch last season, winning four of his last five decisions and posting an ERA of 3.06 in that span. The lefthander tied Nutt for the team-lead with six complete games last year and should be one of the top pitchers in the TAAC after gaining valuable experience in the prestigious **Jayhawk League** this past summer. Ginn came out of nowhere last season to emerge as one of the team's starters. The southpaw won his last five regular season starts, posting an ERA of 0.80 and striking out 27 batters in that span. Two newcomers, **Jason Beauchamp** and **Carter Maw** are also expected to make a big impact on the starting rotation this spring. Beauchamp, a 6-5, 210 pound senior, transferred to Centenary after spending last year at the University of Nebraska. The righthander went 4-4 with a 3.36 ERA in 86 innings pitched for the Cornhuskers. Maw transfers to Centenary from Southern Arkansas University, where he was primarily used as a closer last year. The hard-throwing righthander will see time as both a starter and a reliever for the Gents this year. Returnees **Hank Vereschagin** (2-3, 7.06 ERA), **Tom Tallach** (1-1, 9.53 ERA), and **Jeremy Hadley** (4-2, 9.73 ERA) hope to improve on last year's performances, while right-handed newcomers **David Kirsch** (Southwood HS, Shreveport, LA), **Mike McConnell** (Plano Sr. HS, Plano, TX), and **Kirk Williams** (Allen County CC, McPherson, KS) add to the staff's depth.

INFIELD — American River Junior College South. That's an appropriate name for the Gent infielders since four of the five potential starters came to Centenary from ARJC in Sacramento, California. Second baseman **Tim Kroeker** heads the list of former Beaver players as the senior batted .313 with 5 HR's and 39 RBI from his leadoff spot last year as a Gent. ARJC newcomers **Gabe DeLaCruz**, **Tommy Jones**, and **Brett McCabe** should be key ingredients to Centenary's success, especially defensively. DeLaCruz could become one of the best catchers in the TAAC before the year is through. Jones, a shortstop, has a good arm and covers a lot of ground. McCabe is a solid first baseman and a good hitter, as evidenced by his .360 average at ARJC last season after spending his freshman year at Washington State. Either **Brian Stier** or newcomer **Darren Rounsaville** will get the starting nod at third base. Stier, who is the top Gent hitter returning this season after batting .345 as a sophomore, spent most of his time as the team's DH last year. Rounsaville is a 6-3, 200 pound transfer from Los Medanos JC in California where he batted .320 last season after starting for UC-Davis as a freshman. **Ted Gardner**, a freshman from Plano, Texas, is a natural shortstop but will probably be the team's utility man. He will be used at shortstop, third base, and possibly the outfield if he's not the DH. Williams will also see time behind the plate besides performing his pitching duties, while junior **Peyton Langford** and freshmen **Matt Chamberlain**, **Brian Kelly**, and **Kenton Watson** will provide the team with much needed depth, something the Gents lacked last year.

1992 TOURNAMENT FINISH	2nd

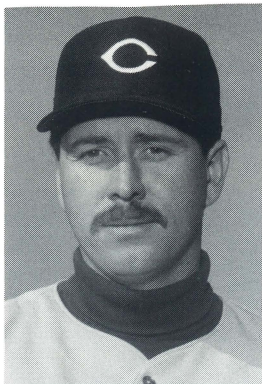

After setting a school record with 90 home runs last season on the way to a 31-27 overall record and a second place finish in the Trans America Athletic Conference tournament, the Centenary Gents will sport a new game plan and a host of new faces in 1993. Only three everyday starters return to Coach **Andy Watson's** lineup in: **Tim Kroeker**, **Jason Parker**, and **Brian Stier**. Add that to the fact that only six other lettermen return to a roster with 15 newcomers, and it's easy to understand why a scorecard will be a necessity for Gent fans.

Gone are six everyday starters who took 58 of the team's 90 round-trippers with them. Amongst the casualties were first baseman **Ken Kaveny**, an All-Louisiana first team selection who is Centenary's career home run leader, and catcher **David Wyss** who was a second team All-Louisiana selection after batting .357 on the way to setting a single-season school record with 81 hits. The team also lost the services of pitcher **Steve Nutt**, who earned a team-best eight victories last season before being drafted by the **Philadelphia Phillies** in the June draft as an underclassman, and reliever **Mike Porter**, who was drafted by the **Baltimore Orioles**.

Under normal circumstances, a team would be in for a rebuilding year after suffering such a huge turnover in player personnel, but

OUTFIELD — **Jason Parker** is the lone returnee for the Gents in the outfield. The senior from Biloxi, MS made an immediate impact last season after transferring from Pensacola JC, hitting .345 with a school single-season record 19 home runs. Newcomer **B. J. Pasquel** (Phoenix CC) should be the team's starting leftfielder, while centerfield will be manned by **Ollie Siebert**, a cat-quick transfer from Mineral Area JC in Missouri. Pasquel should provide good hitting, and Siebert has the speed to burn up the basepaths.

THE SCHEDULE — Arguably the toughest ever for a Centenary team, as the Gents play all but two games against NCAA Division I competition. **Pre-season #1** pick LSU highlights the Gent schedule, as the two teams will tangle twice in 1993. The Gents will get an early test when they visit the Tigers on February 24, while LSU makes their first appearance in Shreveport in several years when the teams collide at **Fair Grounds Field** on April 7. Besides TAAC foes Southeastern Louisiana, Samford, Mercer, and Georgia State, the Gents will play intrastate rivals Louisiana Tech, Northwestern State, Grambling, and Northeast Louisiana. The 21-date home slate will begin on February 6 when Centenary host Lamar University in a season-opening doubleheader. The Gents will also host Ole Miss on March 9, and NCAA tournament team UT-Arlington on March 30.

HEAD COACH ANDY WATSON

In June of 1984, Andy Watson became the eleventh baseball coach in Centenary history upon the retirement of the man he played for as a Gent - James Farrar.

Watson played one season of pro baseball with the Pittsburgh Pirates Class A affiliate in Greenwood, South Carolina. He was drafted in 1982 by the Pirates in the 14th round as an infielder.

After finishing his stint in pro baseball, Watson came back to Centenary to complete his degree and assist Farrar, whom he eventually succeeded.

As a player at Centenary, the Guthrie, Oklahoma native was named the top college player in Louisiana as a senior. Watson, who started for four straight years, was also a two-time All-Trans America Athletic Conference selection and was named All-Tournament his final two years at shortstop. He is still highly ranked among the school's best-ever in the hitting categories. He ranks second all-time in career runs scored (121) and fourth in single-season HR (13).

Now 31, Watson graduated from Centenary in May, 1984 with a B.S. in Physical Education. In 1991 the skipper became the first baseball coach in school history to reach the coveted 200-win

plateau. His overall coaching record of 233-187-0 (.555) through 8 years ranks among the best in Gent history and ranks in the top 110 of all active Division I baseball coaches.

Under Watson's direction in 1992, the Gents went 31-27 to post their fourth 30-plus winning season in the last five years and their fifth straight winning season. Centenary also took a share of the TAAC Western Division title for the fourth time in five seasons and finished second in the conference tournament.

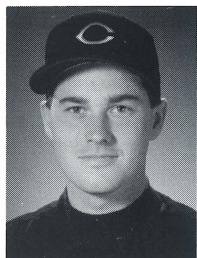

Watson, who led the Gents to a 40-18 record in 1990 and into Collegiate Baseball's poll (40th) for the first time in school history, is married to the former Laura Luff. Together they have three children, a four-year old daughter Jade, a two-year old son Cameron, and a new-born daughter Avery.

ABOUT CENTENARY COLLEGE...

Founded in 1825, Centenary College is the oldest private liberal arts institution West of the Mississippi. Centenary provides a superior education for students capable of intellectual leadership and for those who can benefit from study in an academic community where excellence is encouraged and individuality is respected. Centenary places emphasis on preparations for various professions. The college is an institution of the United Methodist Church.

Centenary boasts a student/professor ratio of 11 to 1 for its 1110 graduate and undergraduate students, while classes rarely exceed 30 in popular introductory courses. Centenary is a member of the Southern Association of Colleges and Schools. The college offers the Bachelor of Arts, Bachelor of Science and Bachelor of Music degrees in 37 subject areas and a broad range of programs in a variety of pre-professional and interdisciplinary fields. Recently, a Centenary education was recognized in "Money's Guide to the Best College Buys" as the 22nd "best buy" in the U.S. based on quality of education and competitive pricing.

Shreveport is located on the West bank of the Red River in Northwest Louisiana. The metropolitan area has a population in excess of 300,000 and forms the geographical, cultural, and economic center of the region known as the Ark-La-Tex. Centenary is located two miles from downtown Shreveport and is widely known for its natural beauty and stately Georgian architecture.

Centenary is a charter member of the Trans America Athletic Conference (est. 1978) and sponsors 14 men's and women's intercollegiate sports. Centenary sponsors basketball, baseball, soccer, cross country, tennis, golf, and rifle for men. For women, the sports include soccer, cross country, volleyball, gymnastics, tennis, softball, and rifle. Centenary is the home of current NBA great Robert Parish, PGA star Hal Sutton and former Olympic gymnast Kathy Johnson. In the 14-year history of the TAAC, Centenary has won 10 conference championships. The Centenary Athletic Department was the recipient of the Jesse Fletcher Award in 1983-84 for the TAAC's best all-around program and has been runner-up in the years 1987-88, 1988-89, and 1989-90.

Dr. Kenneth Schwab, *President*

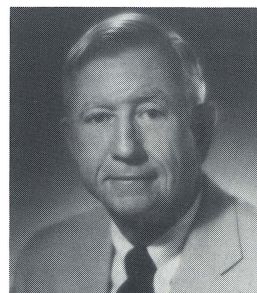

An award-winning educator with a keen interest in leadership and strategic planning was named Centenary College's 34th President last year.

Dr. Kenneth Schwab came to Centenary from the University of South Carolina where he was Executive Vice President for Administration and Associate Professor of Education in the Department of Educational Leadership

and Policies. He has taught graduate courses in leadership in higher education and institutional planning and research, and is credited with the establishment of a strategic plan for the total University system. Prior to that, Dr. Schwab served 16 years at Guilford College.

Dr. Schwab holds the Doctor of Education degree (1978) from Indiana University, Master of Education degree (1972) from the University of North Carolina-Greensboro, and the Bachelor of Science degree (1969) from Purdue University, where he graduated with honors as the 1969 Outstanding Senior.

Walter Stevens, *Director of Athletics*

Walter C. Stevens, Jr., in his twelfth year as Centenary College's athletic director, is the man responsible for coordinating activities and fund-raising for the athletic department.

A native of Macon, Ga., the retired Air Force Colonel of 30 years graduated from the United States Naval Academy in 1951. He later earned a master's at Louisiana Tech.

In his twelve-year service at Centenary, Stevens has been instrumental in the purchase of a new portable wooden floor for the Gold Dome, and completion of a six-court \$180,000 tennis complex. He has also served as president of the Trans America Athletic Conference for two years (1986-87).

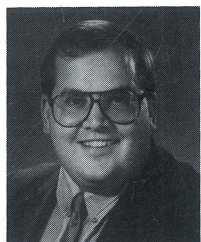

Under Stevens' direction, Centenary's athletic teams earned the first-ever Jesse C. Fletcher Award in 1983-84 and finished as runner-up in 1987-88, 1988-89, and 1989-90. The award distinguishes the TAAC school with the strongest athletic program during a year.

Stevens coached freshman basketball and baseball from 1957-60 at Georgia Tech and studied under the legendary Bobby Dodd, who coached there for 30 years.

SPORTS INFORMATION DIRECTOR STEVE MURRAY

Steve Murray is now in his third year as the Sports Information Director for the Centenary Athletic Department. Murray, who is in his sixth year at Centenary, first came to the school in the fall of 1986 while serving an internship with the United States Sports Academy. Upon receiving his Masters Degree in Sports Administration from the Academy, Murray accepted the Head

Trainer position in the Centenary Athletic Department, a task he still performs.

Murray, who some call the best ankle taper in the Sports Information business, is a native of Emporium, Pennsylvania and a 1985 graduate of Gannon University in Erie. Steve, now 29, is married to the former Candace Callahan and they have a two-year old son, Ian.

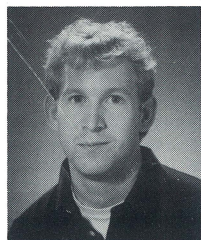

BASEBALL SID CORY ROGERS

Cory Rogers is in his final year as the Baseball SID at Centenary College. The Byrd High graduate of 1988, now 22, was a member of the Yellowjacket baseball and football teams.

Rogers, a Liberal Arts major with an emphasis in Communications is scheduled to graduate this May. He has handled the play-by-play chores of Centenary Baseball, and high school football and basketball while a student at Centenary.

Besides designing the Gent Baseball Media Guide in 1993, Rogers assists with all sports in the Centenary SID office and will combine with Steve Murray and Rick Carroll to bring you the exciting action of Gent baseball this season on KSCL (91.3 FM) and KOKA (980 AM) Radio.

BASEBALL TRAINER YANCEY NOLAN

Yancy Nolan begins his second season as the Centenary Baseball Trainer this year. Nolan, a native of Monroe, Louisiana and a 1990 graduate of Neville High School, was the football trainer for the legendary Charlie Brown there. A junior Accounting major at Centenary, Nolan, now 21, works closely with the Baseball and Soccer teams over the year.

1992 IN REVIEW

EXCITING...that is about the best word to use when describing the 1992 Centenary Gents, who finished 31-27 overall but a disappointing second in the Trans America Athletic Conference Tournament. Whether you are speaking of the explosive power of a team that hit a **school record** 90 home runs, or you are talking about the fact that the Gents won or lost 17 games of the campaign by one run, Centenary defiantly gave the fans their money's worth.

Centenary Head Coach Andy Watson managed his team to the school's **fifth straight winning season** in 1992. By doing so, the school's all-time winningest baseball coach (233 victories in 8 years) joined Doug Mooty as the only skippers in Gent history to lead their teams to five straight seasons of winning baseball. The Gents also won a share of their fourth TAAC Western Division title in the past five seasons by posting a 12-4 record in league play. But Centenary is still looking for their first ever TAAC Tournament Championship, after being swept on the final day of the conference tournament by host Southeastern Louisiana last May.

The Gents struggled early on in the season, posting a 7-8 record in the month of February. But it quickly became evident that the team had the ability to put up some huge offensive numbers. Centenary opened the season by splitting a doubleheader with 1991 NCAA Tournament team Northwestern State. The Gents lost the first game 11-10 when NSU rallied to score three runs with two out in their last at bat. Centenary then rebounded to take a 12-10 win in the nightcap as **Mike Robinson** hit a two-run homer to spark the Gents. The next day, Centenary tied the **NCAA record** for most RBI in an inning when the Gents knocked home 15 RBI in the first inning, and hit 7 homers in the contest on the way to a 22-15 win over Stephen F. Austin and a split of a doubleheader with the Lumberjacks.

The turning point of the season came on March 20th when Centenary opened TAAC play at Southeastern Louisiana. In game one of the four-game series, **Tom Schneider** pitched a complete game two-hit shutout and struck out 9 Lions and made **Tim Kroeker's** run on a wild pitch in the first inning stand as the Gents took a 1-0 win. The next day, **Brian Stier** hit a grand slam in the Gents' last at bat to lift Centenary to a 7-6 win and a split of the TAAC series with the Lions. Centenary then won 7 of their next 9 games, including a four-game sweep of 1991 TAAC West champion Samford to finish March with a 19-18 record.

April was the month of **Ken Kaveny** and **Tyler Ginn** as the two emerged down the stretch to give the Gents a tandem of sure power and fine precision. Kaveny exploded onto the scene to hit .500 (35 for 70) with 10 of his school record 19 home runs and 24 RBI over a period of 17 games in April. Ginn became one of the aces on the Gent pitching staff by beginning the month with back-to-back complete game victories over East Texas Baptist and Southeastern Louisiana to earn **Collegiate Baseball/Mizuno National Player-of-the-Week** honors on April 13th. In those two victories, Ginn posted a 0.64 ERA and against SLU he pitched a 1-hitter in the 11-1 Gent victory. For the month, Ginn was 3-0 with a 0.87 ERA in 20.2 innings pitched.

Centenary entered the TAAC Tournament with a 29-25 overall record and faced 30th ranked Stetson in the opening game. The Gents fell behind 6-1 after two innings of play, but Kaveny sparked the Gents with a grand slam home run in the fourth and a solo shot in the seventh, and **Steve Nutt** allowed only one run in 7.2 innings of relief to help Centenary to an 8-7 victory. The Gents moved on to the winners bracket in the double-elimination tournament to face host SLU. Centenary led 7-6 after seven innings but put together a 9-run eighth inning to move into the TAAC Championship round undefeated after the 16-8 win. Schneider posted the complete game victory and Parker belted a three-run homer to tie Kaveny for the single-season **school record** with his 19th of the year. SLU battled back to the championship round and jumped out to a 8-0 lead before Centenary scratched out a run in the bottom of the sixth. The Gents cut the

lead to 8-6 in the eighth inning, but couldn't quite manage another rally after that and suffered a 9-6 loss. In the final game of the tournament, SLU's Kirk Bullinger pitched his second complete game of the tournament and the Lions jumped out to a 10-4 lead after just three innings of play. SLU went on to win the game 12-6 and spoil Centenary's hopes of the school's first ever trip to the NCAA Tournament.

Despite finishing second in the TAAC tournament for the second time in four seasons, Centenary still had a fine season. The Gents, who reached the **30-win mark** for the fourth time in the last five years, set or tied **25 of the possible 60** single-season school hitting, pitching, and miscellaneous records.

Nine seniors ended their collegiate playing days last season in: Joe Calabria, Michael Fuller, Ken Kaveny, Norm Kunz, Lance Laverdiere, Mike Porter, Mike Robinson, Steve Spyres, and David Wyss. The Gents also lost the services of junior pitcher Steve Nutt, who was drafted along with Porter by the Philadelphia Phillies and Baltimore Orioles respectively.

TRANS AMERICA ATHLETIC CONFERENCE AN AUTOMATIC BID

Trans America Athletic Conference baseball teams will again battle for the league crown this spring, with the tournament champion earning an automatic bid to the NCAA Tournament. The TAAC regained its automatic invitation to the NCAA's in 1987, after a four-year period (1982-1986) without the bid. The league was first granted a bid in 1981.

The TAAC will take on a new look again this spring with the addition of Georgia State and Central Florida to the league. Georgia State has been a member of the TAAC since 1983, but rekindled their baseball program last year after several seasons without the sport. The University of Central Florida is the newest member to the TAAC after competing in the Sun Belt Conference last season.

The league is divided into two divisions for baseball competition. The Western Division consists of: Centenary, Samford, Southeastern Louisiana, Mercer, and Georgia State. The Eastern Division is made up of: Florida International, Stetson, Central Florida, and the College of Charleston.

Each team will play home and away three game series with their divisional opponents. The top two teams in each division will compete in the conference tournament at the site of the TAAC Eastern Division champ. The four meet in a double elimination format to decide the NCAA representative from the TAAC.

Last year Southeastern Louisiana came out of the loser's bracket to defeat Centenary twice on the final day of the tournament to earn their first trip to the NCAA's.

"Having the automatic bid is a big lift," said Centenary Head Coach Andy Watson. "Every game is important, and the league games certainly take on more significance. The bid also helps in recruiting because most kids want to play in a playoff (NCAA) format."
